

ABOUT US

- **Independent since 1993**
DartAppraisal.com maintains objectivity by working with more than 800 partners.
- **Nationwide AMC**
Using more than 6,000 active appraisers, we offer local coverage nationwide.
- **Product focused**
We focus on valuations only, making us experts through our extensive experience.

VENDOR MANAGEMENT

- **Compliance**
We maintain the highest industry standards for appraisal compliance by monitoring and recording appraiser qualifications.
- **Performance**
Our operations team actively reviews and mentors our appraisers to provide consistent results.

CUSTOMER SERVICE & OPERATIONS

- **File management**
DartTracker™ & DartTracker Plus™ offer real-time file tracking for our clients.
- **Single point of contact**
A dedicated client service representative is assigned to each account.
- **Escalation and resolution**
Beginning with our dedicated client service representative, our entire company personally works for you.

TECHNOLOGY

- **Web site**
Our home page and Web site tools allow for quick order entry with real-time status results.
- **Integration**
With DartLink™ technology, our system connects directly to clients, reducing duplication efforts.

CUSTOM SOLUTIONS

- **HVCC compliance**
An industry first, our unique DartExpress™ technology offers a complete broker HVCC solution for nationwide order placement.
- **Pricing plan options**
Our associates analyze geography, product type and volume to recommend a pricing plan that makes sense and meets our customers' needs.
- **Instant pre-payment**
With Dart EZpay™ online pre-payment system, securing loans and reducing cycle time now becomes a snap.
- **Reporting**
Daily, weekly and monthly reports are generated based on the predetermined performance matrix for each client.
